NOTICE TO COUNSEL
CHILD SUPPORT REGISTRY FORM 'FL-191'

**CHILD SUPPORT REGISTRY FORM FL-191 MUST BE FILED IN EVERY
CASE WHERE CHILD SUPPORT IS ORDERED.**

Our Clerks have reported that in the vast majority of cases where a new or modified Court Order is made regarding Child Support that the attorneys are almost uniformly not filing this required document. The Statewide Child Support Registry has been implemented and is operational. This Registry Form is mandatory. Failure to prepare and file this form may preclude the State Child Support Distribution Unit from being able to collect and disperse the Child Support obligation. Failure to file this form could also result in a criminal prosecution against the obligor or a malpractice suit against the attorney.

If you have any questions regarding this form or procedure please contact the attorneys at the Department of Child Support Services who will be able to assist you.
